

GUN STORAGE SYSTEMS

NEW!

TURRET FEATURES

- Available on most Fort Knox vaults
- Holds 8-12 guns
- Works with most gun lengths
- Maximizes storage
- Easier gun access
- Requires external hinges

NEW TURRET SYSTEM

The new turret system that can be installed into your vault will help maximize the amount of space you can use inside your vault. Attaching to the door, the turret hold 8-12 guns securely upright and swings with the door, allowing for easy gun access while open, and maximum space efficiency when closed.
